We did one day in a small bus with a local birder, visiting a reservoir as well as some other sites located adjacent to the City of Lakeview. Also visited a hot spring north of Lakeview. Thirty-five different birds were observed. There were many waterfowl migrating through the area. In addition a few pronghorn and deer were observed. In addition to the bus viewing many participants walked through a part of the ranch observing songbirds and waterfowl on the small reservoir on the ranch. There were participants from Maryland, Arkansas, Michigan, New Mexico, Montana, Washington, California and Oregon.</p>
