

Oregon RVing Women at Crooked River Ranch
June 8-12, 2023 by Rose Mulgrav

The Crooked River Ranch rally got off to a rocky start with a change in ownership of CRR RV Park. All reservations made earlier for us to use the gazebo changed with new management. Aside from the increase in fees though, we still had a good time. Roughly 23 women with a total of 16 RVs attended this year's event.

Friday a group visited Eagle Crest Resort to participate in a putting adventure followed by some

playing nine holes of golf. That evening at dinner

we had the meet and greet led by co-host Kathy Sheats. Later, B Gail accompanied by Candy Wood, Kate Bednarski and Rose Mulgrav led an evening of sing along songs. We had such a good time we repeated the activity Saturday night. Jeanette Haller joined us Saturday with her soprano ukulele - what musical talent within our chapter!

Saturday, during the day, a group went on a geocaching expedition with Kathy Sheats. We're proud to report that all 7 caches downloaded were found.

Sunday morning brought the usual rig christenings and Sunday evening we went out to dinner at the Pump House Restaurant in Terrabonne and followed by the usual dog walking and card playing.
