Foster Lake Resort  
June 10 – 13, 2016

The month of June in Oregon can be a weather roller coaster that includes wind, rain, sunshine, and varying temperatures. Our Event at Foster Lake, near Sweet Home, Oregon, was no exception. hands us. The thirty women who attended this Event had little difficulty finding indoor activities to take part in. We had use of a huge club house that had plenty of room for our meetings, socializing, gaming, cooking, eating, watching TV and movies, playing Bingo for prizes, and putting puzzles together. The outdoor heated pool went unused the first day. Dog walking was done between showers.

By Saturday afternoon and most of Sunday, several ladies found the pool water refreshing, as the temperature rose into the 70's. One group decided it was time to climb nearby Iron Mountain to see the wild flowers. Others gathered outside to work on a scarf making craft.

Some basked in the sunshine and visited, while another group walked the trail along the rim of Foster Lake. Later Sunday afternoon we gathered outside to Christen four new RVs. Sunday evening was spent at Margarita Village, where everyone enjoyed a wonderful Mexican meal.

We were pleased to have ladies from Washington, Oregon, California and Utah join us for the weekend of fun, and we are looking forward to our next Event at Pleasant Valley RV Park in Tillamook, Oregon in July.
