

March 22-24 Harrisburg, OR

Oregon chapter's first event of the season was held at RiverBend RV Park in the central Willamette Valley along the Willamette River. This was a new site for our group and we welcomed over 50 women.

The facilities included two ample clubroom's that served for all our scheduled indoor activities. Activities outside the park included walks along the river and through the small town of Harrisburg, museums and restaurant's that were all within walking distance from the park.

With Easter being close, it seemed only fitting that we have an Easter bonnet competition. Many participated and the variety of bonnets was quite astounding. And of course the competition was followed by an Easter Parade where we all strutted our stuff.

Our schedule included a welcoming social hour followed by games, puzzles and lots of visiting on Friday night. We then had a Saturday & Sunday continental breakfast, a great Saturday night potluck catered by a local restaurant and salad's from all the ladies.

During the potluck, we stopped to celebrate one of our member's significant birthdays. Sandy (with the rabbit ears) was serenaded by an old friend as well as hearing a special song from our local ukulele/guitar group. Several folks were in on the surprise party arranged by Gayle (on the left).

Those who remained Sunday gathered at a local restaurant for a wonderful oriental dinner. The event was relaxing and entertaining and enjoyed by all!
