

ORVW Rally August 11 – 14, 2017 Twin Rivers Vacation Park, Roseburg, OR

What a great time the Oregon Chapter had at Twin Rivers Vacation Park along the Umpqua River near Roseburg OR. The weather was perfect and we had a great turnout with about 35 ladies with new members and day visitors as well as new canine friends.

Friday evening began with the traditional finger food potluck. The evening was spent visiting, playing games, lounging and walking the beautiful park. Our usual puzzle makers had to forego a puzzle this time due to lack of space.

Saturday we were up bright and early for breakfast in the clubhouse followed by a trip to Wildlife Safari with our own Beckey Beckey, a docent there, giving us a personal guided bus tour through the park with great stories. Those who didn't go took advantage of the other activities available in this beautiful area.

Saturday evening we met for a scrumptious potluck followed by a lively meeting outside on the lawn. Then more games and fun.

Sunday morning we again met in the clubhouse for breakfast. After finding the champagne, we took off to christen and tour five rigs.

In the afternoon some met for an activity of making postcards to send to those who were missing all the fun. Many enjoyed hiking and other area activities. Since we were a large group we split up for dinner at two favorite restaurants in Roseburg, The Rodeo and McMenamins.

Sunday evening once again found pretty much the "usuals" playing Square Nine in the clubhouse while others just enjoyed the evening, visiting by their rigs.
