

ORVW September Rally
September 18 – 21, 2015

The September rally in Salem, Oregon was met with beautiful sun-filled days and colorful pink-cloud sunsets. In the evening ORVW women enjoyed the camaraderie and games. Many visited Mt. Angel Oktoberfest for the wonderful German crafts, folk music, and of course the Biergarten. The rides through the farms and rolling hills were spectacular.

One of our members, Patti Knight, bought a new roadster and she was generous enough to give rides to all who wanted to enjoy the fresh air. It was great fun for everyone.

Before our Friday evening appetizers women gathered to take some silent moments to send our collective female energy to our fellow members who have recently faced or are now facing difficulties. The silence was a quiet reminder of how strongly we are all connected to one another and how deeply we care.

Several groups of women watched the Oregon/ Michigan football game while others went to Salem Saturday Market for crafts and E Z orchards for fresh produce.

Friday and Saturday nights were wonderful to sit out and enjoy the cool breeze and share our adventures.

Lazy Sunday morning gave way to a ride on the Willamette River, Willamette Queen sternwheeler and several members became honorary Steam boat captains.

Our annual meeting was led by Beckey Beckey, our president. Congratulations to our newly elected Vice President, Patti Knight and Secretary, Jeanette Haller.

Thank you to Ann and Pam who came all the way from Utah to host this event and share great waffles and jellies and so much more.
