

Oregon RVing Women at Casey's, Westfir, OR
August 18 – 22, 2022

ORVW members had a fabulous time at Casey's Riverside RV Park in the town of Westfir. This is a particularly beautiful park with many sites right on the river. And it has \$1 soft serve ice cream to boot!

There were many walks, conversations and connections made. Some women enjoyed the swimming pool while others rafted the Middle Fork of the Willamette River. There

were hikes in the surrounding area. Some attendees enjoyed a visit to a nearby fish hatchery where they played miniature golf.

As you can see from our photos, there was a sweatshirt crafting project led by Paulette Beliveau. Paulette also brought beginning line dance to our group. Linda Haghan led an informal water color project. Evenings were filled with card games, puzzles and quiet conversations by the river.

On Sunday, Sky Med provided an informative presentation on their services. Jan and Donna won the raffle for a beautiful quilt made by Joan Lease and Paulette Beliveau, and the proceeds were donated to the chapter.

Food is always a highlight of an ORVW rally. There were two delicious potlucks and an evening out at the Three Legged Crane Brewery as well. Fun was had by all!
