

Oregon RVing Women Rally
North Lake RV Resort
September 7 – 11, 2023

The September rally was held at one of our favorite parks, North Lake RV Resort in Lakeside, OR with 35 ladies in attendance. Hosts were Dorothy Pasch, Paulette Beliveau, Lisa Brenner and Lynda Haghan.

Much of the weekend was spent enjoying the great fall weather with our usual games of Ladder Golf and Corn Hole on the deck. First time players Rose Mullgrav and Kathy Sheats won Ladder Golf. Patti Knight and Jeanette Haller

(seen here in the photos) triumphed in Corn Hole. Also,

Mo Swerdlik launched her kayak a couple of times and one paddler who accompanied her was Paulette.

Inside, a lot of time was spent creating the centerpieces for the convention banquet tables. Pool noodles were cut in various lengths, battery tea candles were inserted

in the tops and they were roped together in threes of various lengths with lots on creative decorations glued to them. They were put together on paper plates with sand and seashells once we arrived at convention.

Saturday morning our Annual Meeting was held where Mo Swerdlik and Lynda Haghan were reelected as Vice President and Secretary respectively. Paulette described a new sub group – SIG – Special Interest Groups. There was also a discussion about the “2 event rule” after which one must join RVW. Members voted to include that in our Chapter Rules as well.

And, of course, each evening was taken up with some singing led by B Gail and games where Square 9 once again dominated the scene.

Sunday morning, after a continental breakfast, members walked the park together to welcome new-to-me rigs and wish their owners safe travels. The furry kids also love the time to see their pals once more before the weekend ends.

Sunday evening most of the group attended a lovely dinner at Lakeshore Lodge.

Monday people headed out once again with the anticipation of meeting up in Salem in only a week for our first ever National Convention in Oregon!
