

Winchester Bay – June 2012

Our Winchester Bay rally was the biggest of the season thus far with 39 members and guests in 23 rigs. Father's Day weekend was highlighted by the Chainsaw Carving Competition in Reedsport, OR. Quite a few members arrived on Thursday to take advantage of the opening day of carving. Several members went to the Quick Carve auctions held each day at 5:30 and some were even successful in bidding for some of the art!

As always, there was tons of food for all the meals. Anyone who leaves hungry at our rallies has no one to blame but herself. And, we also enjoyed a great night out on Saturday at Griff's in Winchester Bay. They have wonderful seafood and homemade cocktail sauce. Love those shrimp cocktails!

Saturday there were several game competitions – a putting contest on the RV Park's putting green as well as a Ladder Golf competition. Saturday night there was Texas Hold 'Em Poker Tournament and playoff round of Square Nine, our most popular card game.

We tried something a little unusual for Sunday Breakfast with "Bag Your Own Omelet." You know what they say about a watched pot? Well, those pots, full of bags of omelets with a variety of fillings, did seem to take their own sweet time cooking the eggs. It was only 12 minutes you say? It seemed like an hour of watching and waiting before being able to pour your omelet out on your plate and indulge.

Sunday night, after our potluck, game winners got to choose from among a bunch of great prizes including 2 free nights at the Mill Casino RV Park along with a \$40 food credit for the

restaurant, free nights at other RV Parks we'll be visiting this season, 2 free rounds of golf at Sunset Bay, and several donations from Porter's RV. We also had some silly prizes to round out the evening (and clean out our garage –ho ho) like plates and cups from the year 2000. Remember how we were all worrying that all our computer systems would crash when the calendar rolled over to 2000 and nothing really happened? Some day those plates and napkins may be worth something – hang on to them!

Monday morning we once again gathered for a quick cup of coffee and then said our good-byes until our next rally at Seaside in July.
