

Rally at Circle Creek RV Park – July 20-22, 2012

This month's rally was a little different as we were "hostless," but that never discourages us and we did just fine. 15 rigs with 21 ladies (give or take) found this RV Park to be quite nice. The owner went out of her way to be accommodating and rushed to finish a club house area for our use. It was a bit on the small side, but we still managed to play our usual round of games including Nine Square (or Square Nine depending on your point of view.)

Seaside, as it turns out, is one big tourist destination. In the summer months they run a trolley which comes right through the park hourly and picks up people by their rigs. Many of the ladies took Seaside the trolley and said it was a great ride and they really enjoyed the driver. Some folks managed to drive into town and find a place to park to explore the area. There was a lot to do and see with a wide variety of shops and activities including a cat show at the convention center.

We decided to splurge this month and we went out to dinner both Saturday and Sunday but not everyone went to the same place. Many of us went to McMenamens on Saturday and McKeown's on Sunday but some went up to Astoria and others to Doogers in Seaside. No one was left hungry, that's for sure.

Monday rolled around with folks heading off for home and looking forward to the next month's get together.
